

# **SHAW ISLANDER'S INC. 2004 FOURTH OF JULY REPORT**

The Fourth of July weekend on Shaw was again a grand success.  
A BIG thank you to all who helped organize the events  
and to all of you who participated.

As you may know, Shaw Inc works from a TWO year budget  
**as the auction every two years is our big fund raiser,**  
**while the income from Market Day years is much less.**

**Though we still strive to bring in income in Market Day years,**  
**the primary goal is to provide affordable fun and entertainment**  
**for all islanders and their guests.**  
**In this we certainly succeeded!**

**There was a large level of participation in all events.**  
**There were more than 15 vendors at Market Day.**  
**Around 130 people attended the dance, with ages ranging from toddlers to folks in their 80's.**  
**More than 1400 raffle tickets were sold.**  
**The art exhibit was beautiful and well appreciated.**  
**There were 33 separate entries in the parade, and the parade was nearly as long as the route!**  
**More than 100 people turned out for the baseball games.**

**All of this means we more than realized our goals. Thank you!!!**

For those of you who might be interested, attached is the "unofficial" financial report with specifics  
for each event. The total net income was \$2150.

**Respectfully submitted,**
