On another matter, the annual Shaw Inc letter was recently mailed. **Please be sure to return it ASAP.** We are trying to **update our information** to get the next resource and phone directory out in a timely manner. In addition, **we need your donations** so that we can continue to be generous with giving to 4-H, the medical team and other Shaw groups. Also, we need your donations so that we can have another rich year of Shaw activities and entertainment. Thanx!

Sincerely,

Carole Davis, President
